To Whom It May Concern:

I had the good pleasure of working with Emily Cashdan during her 2017 summer internship with The Coca-Cola Company.

During her three-month internship, she assisted on PR and marketing projects at The World of Coca-Cola, and worked on a number of our sustainability projects, including our sustainability report.

Emily was a terrific intern. She is smart and inquisitive, a self-starter, quick learner and, importantly, a hard worker. She jumped in whatever the task, and demonstrated an appropriate sense of urgency when it was necessary. Importantly, we all enjoyed working with her.

I would highly recommend Emily for consideration for any entry-level PR or Marketing role.

Regards,
